

Growing *for* life

and Strengthening Our Community

Supporting Winnipeg's Musical Gem

In 2008, Jewish Foundation of Manitoba donors allocated \$6,150 in support of the Winnipeg Symphony Orchestra's innovative programming and musical excellence. Donors who celebrate and support the arts during their lifetime are encouraged to establish a permanent endowment at the Jewish Foundation, so that future generations can experience and enjoy our cultural institutions.

John Silver, JFM Volunteer (R) with Trudy Schroeder, Executive Director of the WSO and WSO staff.
