

Growing *for* life

and Strengthening Our Community

Supporting Jewish Song and Dance!

In 2008, donors at the Jewish Foundation of Manitoba allocated \$3,651 in support of Winnipeg's own Sarah Sommer Chai Folk Ensemble. The Foundation also provided Chai with a \$4,169 grant to purchase new studio mirrors and a sewing machine for repairing and resizing costumes. An endowment fund at the Jewish Foundation can support Chai, North America's oldest and largest Israeli folk dance ensemble, in perpetuity!
