

Growing *for* life

and Strengthening Our Community

Supporting and Safeguarding Our Jewish History

Organizational endowment funds at the Jewish Foundation of Manitoba ensure a perpetual income stream for our vital community organizations. Both the Jewish Heritage Centre and the Holocaust Education Centre have endowment funds that help secure their work of preserving, documenting, sharing and promoting our Jewish history.

In addition to monies allocated by numerous donors, these organizations received \$34,119 from their endowment funds in 2008 alone. An endowment helps – today, tomorrow, forever.

JFM Governor Marjorie Blankstein, C.M. (L) with Fran Barrett, Managing Director of the JHCWC (C) and Carla Divinsky, Holocaust Education Coordinator (R).
