

Growing *for* life

and Strengthening Our Community

Supporting Our Partners in Philanthropy

The Jewish Foundation of Manitoba recognizes the invaluable work of the United Way of Winnipeg. In 2008, donors at the Jewish Foundation of Manitoba allocated \$24,654 in support of the United Way of Winnipeg and its goal of enriching the lives of Winnipeggers. The Jewish Foundation of Manitoba is pleased to work together with our partners in philanthropy to enhance the lives of deserving individuals and to build a lasting legacy for our community.
