

Growing *for* life

and Strengthening Our Community

Supporting Our Fellow Funders

The Jewish Foundation of Manitoba wishes the staff and volunteers of the Jewish Federation of Winnipeg every success as they undertake this year's Combined Jewish Appeal campaign. Our two organizations substantially fund the critical programs and services that make up our vibrant Jewish community – the Federation as an annual “chequing account”, and the Foundation as a perpetual “savings account.” By establishing an endowment fund at the Foundation, a donor can ensure that his/her CJA pledge will continue forever. Ask us how.
