

# Growing *for* life

and Strengthening Our Community

## Supporting a National Treasure

The Jewish Foundation of Manitoba is proud to support the Canadian Museum for Human Rights. We believe it will become an iconic symbol of Canada and will serve to advance understanding and support for human rights in an unprecedented way. In 2008, the Foundation presented the Museum with a cheque for \$134,850, which included the first installment of a \$500,000 pledge of commitment from the Foundation.
