

Growing *for* life

and Strengthening Our Community

Supporting Jewish Identity

In 2008, fifteen Bar & Bat Mitzvah fund-holders at the Jewish Foundation of Manitoba allocated \$997 in support of their favourite camp - Camp Massad. The camp strengthens Jewish identity through a fun and memorable Jewish camping experience. The Foundation also supported Camp Massad with \$13,334 in donor allocations and \$30,500 in grants to fund capital improvements and long-term planning. Through the Jewish Foundation of Manitoba, donors can help to build Jewish identity for generations to come!
