

# Growing *for* life

and Strengthening Our Community

## Supporting Special Needs

In 1994 the Lazareck family established the Jordan Lazareck Special Needs Fund at the Jewish Foundation of Manitoba. This fund is committed to supporting inclusion for people with special needs in all aspects of community life. Since inception, the Fund has distributed over \$300,000 to Jewish and non-Jewish organizations for projects that benefit individuals with special needs. Donors can support the causes that are important to them by establishing an endowment fund at the Jewish Foundation of Manitoba.
