Supporting Jewish Education

In 2008, the Jewish Foundation of Manitoba supported the Gray Academy of Jewish Education with \$111,599 in donor allocations and \$38,361 in grants that funded improvements in technology and health education. The Gray Academy provides an educational environment of academic excellence, strong Jewish values and proud citizenship. Donors to the Jewish Foundation are ensuring that our community's young people can receive a solid Jewish education - today, tomorrow and forever.
