

Growing *for* life

and Strengthening Our Community

Supporting CancerCare Manitoba

In 2009, thirty-four young donors chose to allocate the proceeds from their Bar and Bat Mitzvah funds to CancerCare Manitoba. Its mission is to provide outstanding quality care for all Manitobans and their families living with cancer. Bar and Bat Mitzvah Funds at the Jewish Foundation of Manitoba give young people the opportunity to learn the joy of tzedakah, setting them on a path to life-long philanthropy!
