

# Growing *for* life

and Strengthening Our Community

## Supporting Holistic Health and Wellness

Donors to the Jewish Foundation of Manitoba understand the importance of healthcare in our community. Since 1983, donors have allocated over \$15,540 in support of the Seven Oaks Hospital Foundation and its mission of providing a healthcare environment that meets the needs of our community. By establishing a permanently designated fund at the Jewish Foundation, you can support organizations that make a difference to you - today, tomorrow, forever.
