

Growing *for* life

and Strengthening Our Community

Supporting Self-Sufficient Living

Donors to the Jewish Foundation of Manitoba believe in the importance of self-sufficient living. In 2009, donors allocated \$20,703 in support of Shalom Residences. In addition, the Foundation provided Shalom Residences with a grant for \$3,085 to replace a sliding glass patio door. The Jewish Foundation of Manitoba is committed to building and strengthening the Jewish community - today, tomorrow, forever.
