

Growing *for* life

and Strengthening Our Community

Supporting Opportunity

In 2009, Jewish Foundation of Manitoba donors allocated \$4,638 to support the work of the University of Winnipeg Foundation - Its mission is to inspire the dreams of students and transform their lives through the power of education.

Donors at the Jewish Foundation ensure that Manitobans continue to receive post-secondary education opportunities - today, tomorrow, forever.

Ed Shinewald (R), JFM President with Dr. W. John A. Bulman, CM (C), U of W Board member and Chancellor Emeritus and Susan A. Thompson (L), President & CEO, U of W Foundation
